Subject: Resignation from the Board of Directors

Kind Attention: Mr. Shridhar Pittie

This letter is to inform you that, I am with great regret tendering my resignation from the board of directors of Raja Bahadur International Ltd.

I appreciate the trust and confidence the organization placed in me, and will always regard my tenure on the board as a valuable experience. However at this juncture there are professional exigencies at my end where Ananta Landwise and other professional commitments are concerned and hence limitations on the time and energy expended. I trust you will appreciate my constraints and accept the resignation, relieving me from all responsibilities and privileges with immediate effect.

Let me assure you that in my personal capacity, the qualitative inputs would continue. I shall continue to share my experience for the reference of the organization, as needed.

I wish the organization continued success and thank you for your patience and cooperation at this time.

Best Regards

(Milind. S. Korde)
